DATES: Weekend One: September 28-29, 2018 with Special Guest Mira Kelley

Friday / 7:00pm – 9:30pm

Mira Kelley grew up in Bulgaria, where at the age of 13 she had a powerful regression experience. Following her graduation from law school, Mira practiced as a corporate and securities attorney in a large law firm in New York City. A painful physical condition led Mira to rediscover the instantaneous emotional and physical healing available through regression, and now she assists people in transforming their own lives in this way. Each decade of your life brings new challenges, goals, pleasures, and horizons. When the trauma of divorce, illness, or tragedy—or sudden good fortune—strikes you, or when you gradually become dissatisfied or aimless, it's time to take stock and look for a new story to guide you toward a more hopeful future. Surprisingly, the essence of what you may become, the voice of your future, is already resonating in you. Come listen for the echo of your future through storytelling, conversation, and exploration of the promises and potentials still unfulfilled. www.esalen.org/person/patricia-de-jong
