

Love Cycles Couples Week Intensive

October 22-27, 2019

With Linda Carroll, Tim Barraud,
Deb Lyman and Dave Long
Corvallis, Oregon

Begins 7pm on Tues, Oct 22

Ending Sun, Oct 27 at Noon

Topics Include:

What we never learned about sex

The normal seasons in the cycle of desire, arousal, and intimacy can either help your relationship thrive or increase disconnection. In a safe classroom setting, with films and lectures we will teach you researched-based methods to discuss this most tender of topics.

Undoing infinity loops

Loops are destructive patterns of communication that keep playing out, and topics that turn to quicksand the instant they are mentioned. Each of us are Imago-trained therapists and we will use this remarkable system to help you “loosen” and find your way out of these destructive patterns.

Deepening Your Love

Find the “whole” in “wholehearted”. Heal old relationship hurts, learn 3 important facts about forgiveness and understand the role of “The Three Enneagram Instincts”.

Open to married and unmarried couples of all sexual orientations

Linda Carroll, LMFT, author of Love Cycles, a psychotherapist, speaker, and love coach for 35 years, is certified in the process of Hot Monogamy.
