

Couples and/or Family Intensive Information

Linda Carroll

Board Certified Coach, Writer, Psychotherapist, Speaker

About Linda

I am a licensed marriage and family therapist who has been working with couples for 35 years. I am also a Board Certified Coach, having completed training at the Institute for Life Coach Training in August 2017. I am the author of the highly acclaimed book *Love Cycles: The Five Essential Stages of Lasting Love*, which has been translated into four languages.

To reach as many people as possible about the steps toward true intimacy, I frequently present my “Love Cycles” program at the renowned Rancho la Puerta wellness retreat and other venues across the country. I also speak about relationship issues on radio programs and podcasts, and write for many online magazines.

The deepest meaning of being human has always fascinated me. Throughout my adult life, I’ve studied psychology, poetry, philosophy, spirituality, and literature, and I’ve come to understand how these realms intertwine and enrich one another.

As a lifelong student and teacher, I have studied many aspects of relationship modalities, including transpersonal psychology, IMAGO therapy, the Pairs Psychoeducational Process, and Hot Monogamy, programs that help couples create (or re-create) the passion that makes relationships thrive.

I am delighted to share my skills, knowledge and experience with you in the upcoming intensive we have scheduled. Please fill out the attached forms, return pages 2-3, and keep a copy for your own records.

“Spend a weekend with Linda Carroll and you will discover more ways to connect than you thought possible. Her skill, knowledge and empathy are immeasurable. I fell in love with my wife again and again and it has lasted long after our intensive ended.”
SAM KEEN, PHILOSOPHER & WRITER • SONOMA, CA

“An affair almost destroyed our marriage of 37 years. The 3 two-day intensives with Linda not only healed our relationship but also helped us learn the skills and find the empathy to transform it to a place that we would never have believed possible. We spent so much money on golf lessons over the years, but it never occurred to us to invest in the most important relationship of our lives. We cannot recommend her work enough.”
