

Emotional Literacy

Workshop Series 2019-2020

with Ann Ladd, Ph.D.

These one day intensive groups provide an opportunity to explore and deepen the emotional work that supports your self-learning and growth. It is also a place to process and gain new insights into the current challenges of your life. Ann has developed this process over years of training and experience.

"We must be willing to let go of the life we have planned as to have the life which is waiting for us." Joseph Campbell
